### Rules:

Players get 1 point for each item found. An additional point is earned if the player correctly identifies the specific item. Example: A feather (1 pt). Identified as barred owl (1 additional pt). Points are cumulative. There are no deductions for items not found or misidentified; they are simply points not earned.

Submit photo(s) to [info@ogeecheeriverkeeper.org](mailto:info@ogeecheeriverkeeper.org). In your email, include your checklist and any identifiers for extra points along with your total of your points. Post and tag your images with the [what3words](#) locations for double points.

The three players with the most points will win an exclusive ORK and what3words prize package! Submissions must be received by **Thursday, June 30, noon EST** for consideration in the competition.

To be considered for double points, images must be posted on user's social media, tagging "Ogeechee Riverkeeper" and "@what3words". **Image(s) should include the what3words address.** Submitted images may be used by ORK on social media. By submitting photos, players agree to let ORK and/or what3words re-share these images. ORK will contact winners using a submission email address.
